2016

Jo Jingles

We are looking forward to Jo Jingles starting these sessions with us in the nursery.

Please complete the consent slip and return to the staff if you would like your child to take part in these music sessions.

Positive Language at Home

It has been drawn to my attention, that some children have been using adult orientated language whilst playing and this has had an impact on the other children who have been repeating certain words at home. Please could we ask parents to be mindful when talking in front of children, as they listen and repeat all sorts of adult words.

@**##

Rag Bag

We will be sending home bag for clothes donations and recycling from the Rag bag. This is a charity which recycles old clothes and helps with fundraising for the nursery.

Please look out for the plastic bag to fill with unwanted items and return to nursery for recycling.

Photographs

The deadline to return the proofs for photographs is Thursday 24th March.

Please enclose payment and return to the Office.

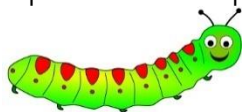

Chicks and caterpillars

In the snowdrops and Lilies rooms we are looking at life cycles with the children. We are providing a very hand on approach with the children by using real training experiences with Living eggs and living caterpillars.

The eggs are hatched in the nursery and the children had the opportunity to see the chicks coming out of their shells, they have been a fascinating experience for the children.

The snowdrops have the caterpillars which take slightly longer to turn into Butterflies.

Living Eggs

Football Gary

Football Gary's new block of sessions are due to start and a new invoice will be sent out for your child. Please can you let the staff know if you would not like your child to take part in these sessions on a Thursday Pm session.

The sessions are for 30 mins and a block of 8 sessions this time will cost £8.00

New Staff

We are pleased to welcome to our team the following new Staff

Nicole McKenna who has join our Poppies team

Nicolle Walker who will be joining our Daisies team

Christina McDougall who will be joining Snowdrops team.

Chelsea who has been covering with the Snowdrops has been working with the Local Authority and has now secured a job with their supply list.

Staff Training

This month we see 11 of our staff updating their Paediatric first aid training and Nurture Training.

The staff will also be having in-house training for Child at the centre 2 document and self-evaluation for moving the nursery forward.

Pink Funding forms deadline

If you would like your child to access the funding from the local authority funding and use their hours at The Barnehage, please complete the form and return with proofs of ID, Utility bill and the Child's birth certificate

Please return to Nursery by Thursday 24th March 2016

Holiday Club Activities

Activities the children have chosen to do for our Easter holiday club are:

Heads of Ayr farm Park

Lollipop land

Cinema

Chatlerault Country Park

Places still available to book £26.25 per day
