We will not be running partnership only sessions these days and Holiday club will be available for School children.

# Survey Monkey Feedback

Thank you to all 67 parents who took the time to respond to our short survey. The results were very interesting and will really benefit the way you want the service to run and operate.

See the notice board for results

# <u>Staff Changes</u>

As you will be aware the nursery is forever growing and with more children requires more staff, which makes it difficult when staff leave, we have to replace staff and also some staff require other challenges within their job role. So currently we moved some staff around as well as taken on new staff and some new trainees. Please keep your eyes on the staff picture board to check out the new pictures.

## Football Gary & Spanish

Both Football Gary and Spanish have stopped until the week of 16<sup>th</sup> April 2018. New fee bills will be issued and spaces for Spanish will be allocated on a first come first served basis again. We will be running two classes as Lesley's Classes are still very popular

#### Loose Parts Play

When Children interact in loose parts play, they enter a world of 'what If' that promotes the type of thinking that leads to problem solving and theoretical reasoning. Loose Parts enhances children's ability to think imaginatively and see solutions, and they bring a sense of adventure and excitement to children's play.

We are looking for the following items to help to develop our Journey in Loose Parts Play development for the children.

Buckets, Hay Bales, Wooden Cable Spools, old car tyres, baskets, Seats, Lobster pots Old sauce pans, metal spoons old logs, guttering, old suitcases, Plastic and cardboard tubing, cargo netting, tarpaulin, wooden planks or old decking or bread baskets.

Smaller items such as Plant pots, pegs, garden sticks, old Blankets, CD's

These items will all engage children in developing their imaginations

#### Early Years Funding forms 2018/19

We are finalising all Early Years forms and places for our 3-5 department for partnership sessions and places for August 2018- to June 2019

If you still have not returned your form, please can you hand it in to the office as soon as Possible to allocate a place and Funding for your child.

## Charity Events

Recently, some staff took the challenge to Climb Ben Lomond, the staff completed the challenge although face some tough conditions towards the top the hill.

On Saturday 21<sup>st</sup> the nursery held a sponsored walk around Strathclyde park, we were very lucky to have such great weather and a nice turn out of families arrived to show their support.

We still await all donations and sponsor forms to be handed in to the office by Friday 4<sup>th</sup> May 2018.

Well done to everyone who to the time to support these great charities and the nursery.

#### Spare Clothes

Within Nursery the children are involved daily in messy play both indoors and outdoors. The children are often encouraged to get messy and explore the activities offered. Please can all parents check their child's bag or peg to make sure they have a change of indoor clothes and Wellies and outdoor play suits for forest schools and muddy adventures.

#### No Toys or Donations

Please can parents discourage the children to bring in toys from home. Its hard for the staff to keep track of all item brought in and treasured items can easily go missing if not left in the child's bag or ducet.

Please also note that over the years many families have been very kind to us in donating children's old toys to the nursery, unfortunately we are no longer accepting toys from home as after a recent Care inspection we were advised to move away from Plastic toys and focus more on the natural play environment.
