

# June Newsletter 2018

Info@thebarnehage.co.uk

## Graduation

Tickets are available from the office and spare tickets can be requested.

The graduation ceremony will start at 1.30 pm till 2.30pm

The children are asked to wear the colour of their key worker group

## School Leaver's final dates

Please can all school leavers inform the office of their final day in nursery.

This will help up calculate your final bill and a deposit to be returned also.

If you are due any refund from us, please ensure you contact Selina or Hazel to ensure we have the correct information and instructions for transferring the funds back to yourselves.

## Partnership last sessions

The last day for our partnership sessions are Friday 22<sup>nd</sup> June 2018

All anti pre- school who currently use funded only sessions will finish on Friday 22<sup>nd</sup> June, until 27<sup>th</sup> August 2018 when the new funded term starts.

We will keep you posted through the summer for returning information

## New fees

The new fee increase has taken place as of the start of 1st June 2018. Please ensure your standing order is amended to the new figure stated on your bill to ensure you account does not fall into arrears.

Please speak to Selina or Hazel if you have any concerns

## Sun protection

With the Scottish summer weather never too sure what it wants to do, please can you provide sun cream for your child for nursery.

Can all cream supplied to nursery have your child's full name and date supplied on the bottle.

### Improvement Plan

This year the nursery improvement plan will consist of the following areas for development and improvement.

- ❖ Nature and well being
- ❖ Care plan review and update
- ❖ Nursery Rhymes and story telling
- ❖ Loose Parts Play
- ❖ Higher order thinking

### Charity Money

You will remember back in April and May the Nursery took part in a variety of charity events for 2 charities. Some staff Climbed Ben Lomond and some children, staff and families walked round Strathclyde park.

Over all the nursery raised over £800 for Covey and £150.00 for the Beatson charity

Both charities have received their money and are extremely grateful for your kind support and donations.

### Access points for dropping off and collecting

Please note that the drop off Zone outside the nursery front door must remain clear always.

The drop off zone is located across from Day soft and parents can park in the nursery car park.

The zone in front of the main entrance is for deliveries, Refuse collection and emergency services.

Please avoid parking in this Zone.

### Medication in children's bags

It has been raised to my attention some children have medication left in their bags, which are left in the corridor. It is the Nursery policy that all medication must be signed into the building and stored in a safe Place at the correct storage temperature.

Please note all medicine must be personally handed over to the staff and the safe storage and management of medication policy can be followed in nursery. Unfortunately, our stuff will not go looking through your children's bags for these items if they are not handed in upon arrival.

## Our Sad Loss

It is with a heavy heart that we must inform our children, families and staff of the sad loss of our dearly loved driver for Out of school care, Billy O'Rourke.

Billy became our driver 3 years ago, after taking early retirement from working many years for South Lanarkshire Council. Billy's role within the Barnehage, was to collect the children for school at breakfast time and would pick them up after school and return the children back to us at the Barnehage.

Billy was a friendly gentleman, who would always have a story to tell and was extremely fond of the children and the children were extremely fond of him.

Unfortunately, Billy very quickly lost a battle to cancer and was taken from us on Saturday 16<sup>th</sup> June 2018.

We are extremely saddened by his death and we offer our love and support towards his family at this time.
