Staff Changes

I wanted to inform you about the recent staff changes which are due to happen over the next few weeks.

We have actively been recruiting for the nursery positions new staff as we have 3 staff shortly going to leave us for Maternity leave and we have had to arrange cover in the short term. Plus Vicky from 4-5 room is leaving as she has a new job closer to home.

We have been successful in finding suitable replacements to continue with the high level of care you receive from the nursery.
