

Sun Hats & Cream

The weather is getting warmer and the sun is getting stronger, so therefore we are trying to get prepared for the unpredictable weather.

Please can you hand sun cream into the nursery with your child's name and date on.

Please note this year we will **not** supply a nursery bottle of cream

Learning Journals

The staff spends time each week uploading pictures and observations of the children in their key worker groups.

Please can you let the staff know if you have access to your leaning journals as they are concerned parents are not commenting or adding entries from home to the leaning journals

Items for junk modelling

Our 4-5 room is looking for items for junk modelling, they are looking for the following items to help them make and create.

Kitchen roll tubes, Egg Boxes, clean yogurt tubs, milk carton tops, and boxes of all sizes including cereal boxes (but none which have contained nuts).

Please hand all items to the staff in 4-5 room

Outdoor and Spare Clothes

With the children and staff actively encouraging the children to be outdoors for longer periods of time and the children are outdoors in all weathers, we need to make sure all of the children have a spare change of clothes on their peg in case they get wet or dirty. The Nursery spare supplies have not been returned so unfortunately we no longer have trousers, sock or pants to send children home in.

Please remember to check your child's peg or box for their spare items and top them up if they have been used.

All children's belongings must be labelled with their name

Nursery Opening Times

The nursery is open from 7.30 am and therefore we are not able to have children in the building left with staff or in the playroom before this time?

Please check children's bags and boxes for items to go home

The children from time to time will have bibs and vests changed. These are put into a nappy sack and put either on your child's bag, box or ducat. Please remember to check for these items and take them home to be laundered.
