DAY

## March Newsletter 2019

### World Book Day

This year the nursery took part in world book day. This event was held on Thursday 7<sup>th</sup> March 2019.

Favourite characters we had the privilege of meeting this year was a variety of Disney Princesses, The book with no words, The stick man plus many more...

A big thankyou to Kay Davies, Liam Carragher's gran who took a story time session with our 4-5 Room on Thursday morning. We all had a fun filled day.

### Nursery Photographer

We had the Nursery photographer back into nursery on Wednesday 6<sup>th</sup> taking the children and staff pictures, as always we should have the proofs back within the week. All orders should be handed into the office.

### Pre-school Eye test

The visual screening team came out to visit the Pre-school children in February.

Unfortunately, not all children were able to attend so a catch-up session date has been scheduled for those children who missed this session. The session will be held on Tuesday 16<sup>th</sup> April from 9.30 am onwards.

Some children may receive a letter to attend for further test if, there was any concerns to follow up.

Congratulations for gaining your Qualification

Charlene Hannah has recently gained her SVQ level 3 in Social care and Early Years

Goodbye

We are sorry to have to say goodbye to the following staff members who have decided to move on to other career paths in life.

Adele Doyle has decided to work in a Water utility call centre

Jodie Hunter has trained to be a Nail technician

We wish them well for the future.

Primary 1

Now all of the children have been registered into primary school, it would be really helpful for us to know which school your child will be linked to as the staff will soon be writing the transition information and sharing this with the schools to ensure you and your child have a smooth transition from Nursery to primary school.
