

Welcome Back

It has been a little while since we have all been together .

We have been staying at home.....

Charlie Cook has to stay in his house.
He reads to the cat and he reads to the mouse.

....trying our best to follow the Golden Rules...

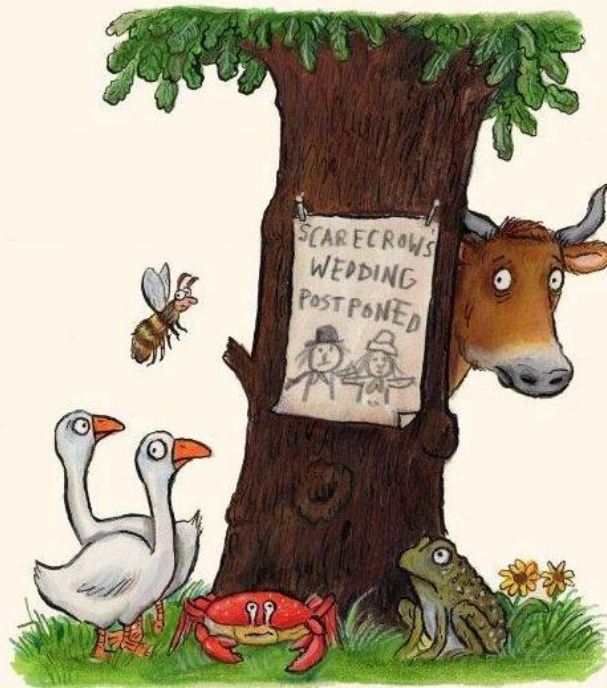

The Gruffalos stayed in the Gruffalo cave.
The Gruffalo's Child did her best to behave.

We have been looking after each other.

Prunella and Pat are safe in their flat,
Being looked after by Tabby McTat.

Some people have had to postpone celebrations.

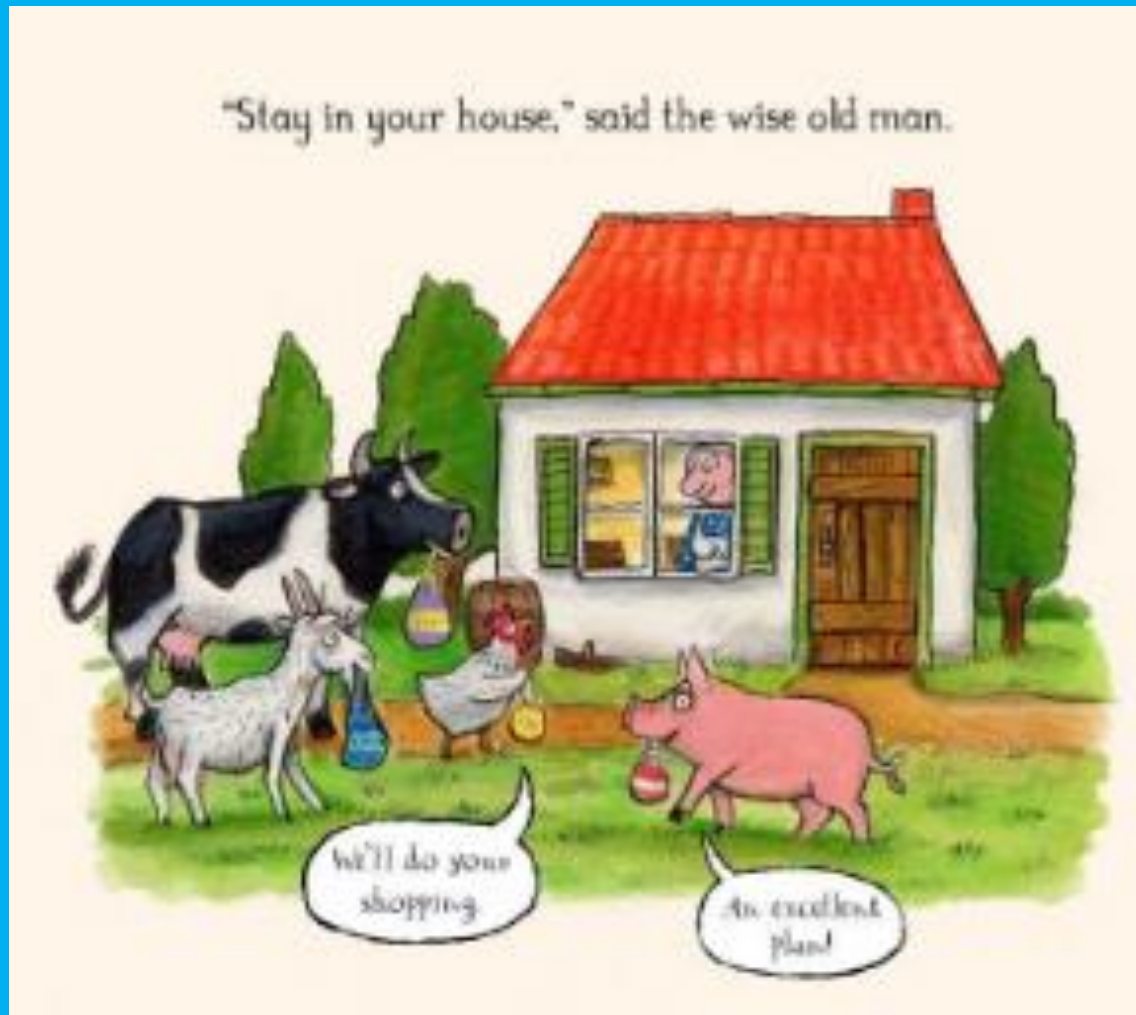

The Scarecrows' Wedding can't happen just yet.
When everyone's well, a new date will be set.

We have been missing seeing each other,
but still found a way to talk to each other.

Granny and Grandpa are all on their own,
But they always cheer up when the grandchildren phone.

Sometimes people have been helping each other by getting shopping.

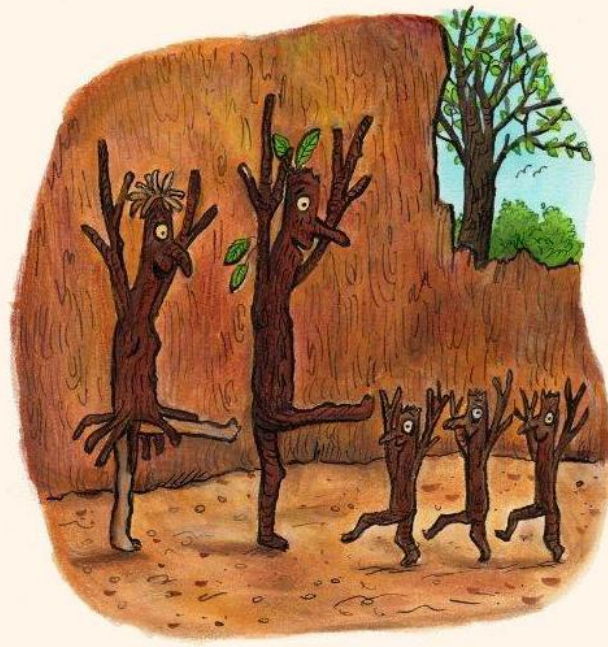

Even when some people were trying
to buy all of the toilet rolls...

"Give me your soap and your loo rolls
And everything else on the shelf,
For I am the Rat of the Highway
And I'm taking them all for myself."

Some of us have been keeping fit....

Stick Man and Lady stay home in their tree,
But they're still keeping fit with their Stick Children three.

But now it is time for some of us to come
back to Nursery

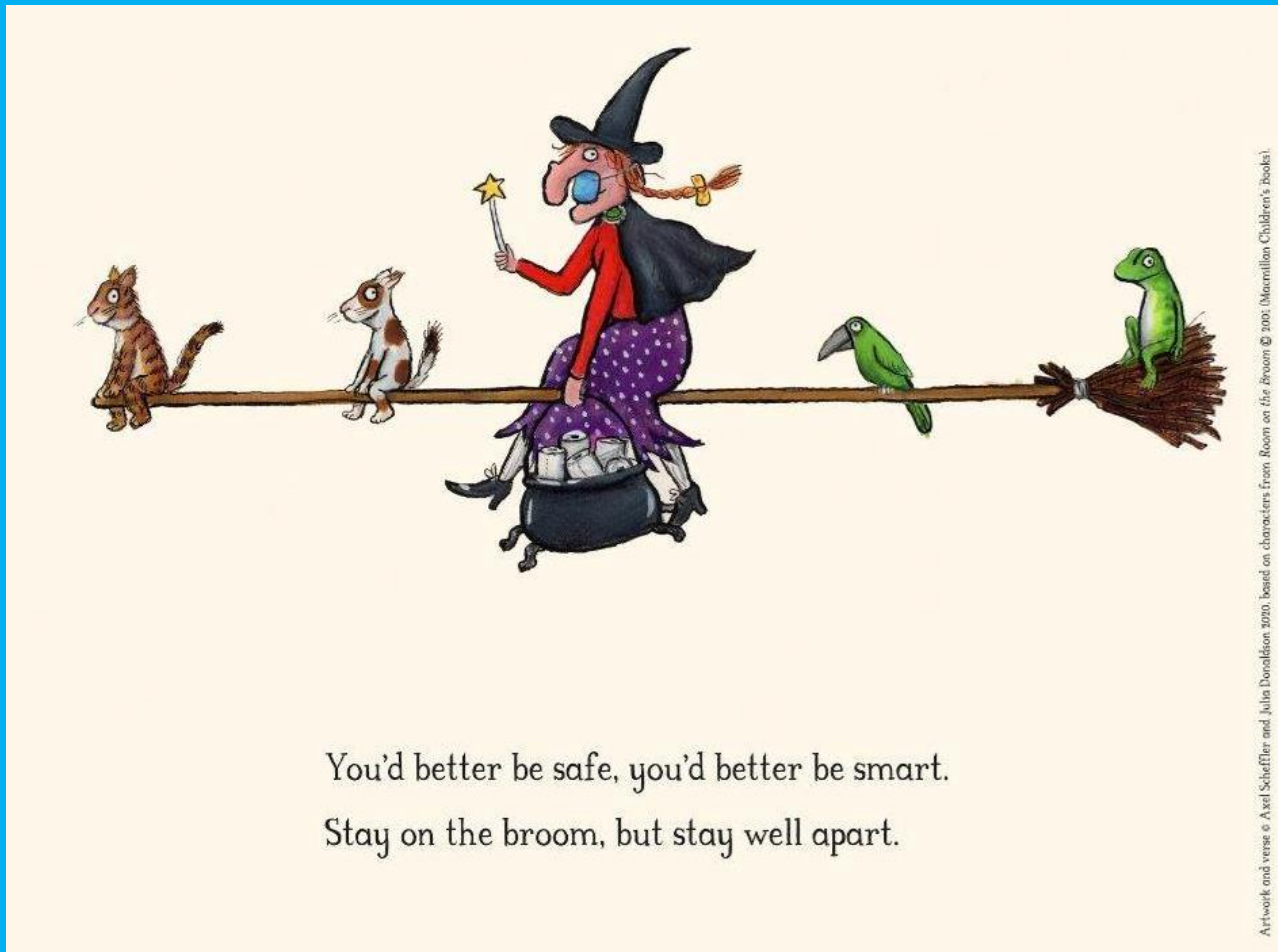

We need to have some new rules to keep us safe and healthy.

We won't be able to be too close to each other.....

We will need to keep our distance like this....

...and like this.

“All right,” said the Gruffalo, bursting with laughter.
“You go ahead and I’ll follow two metres after.”

We need to keep healthy...

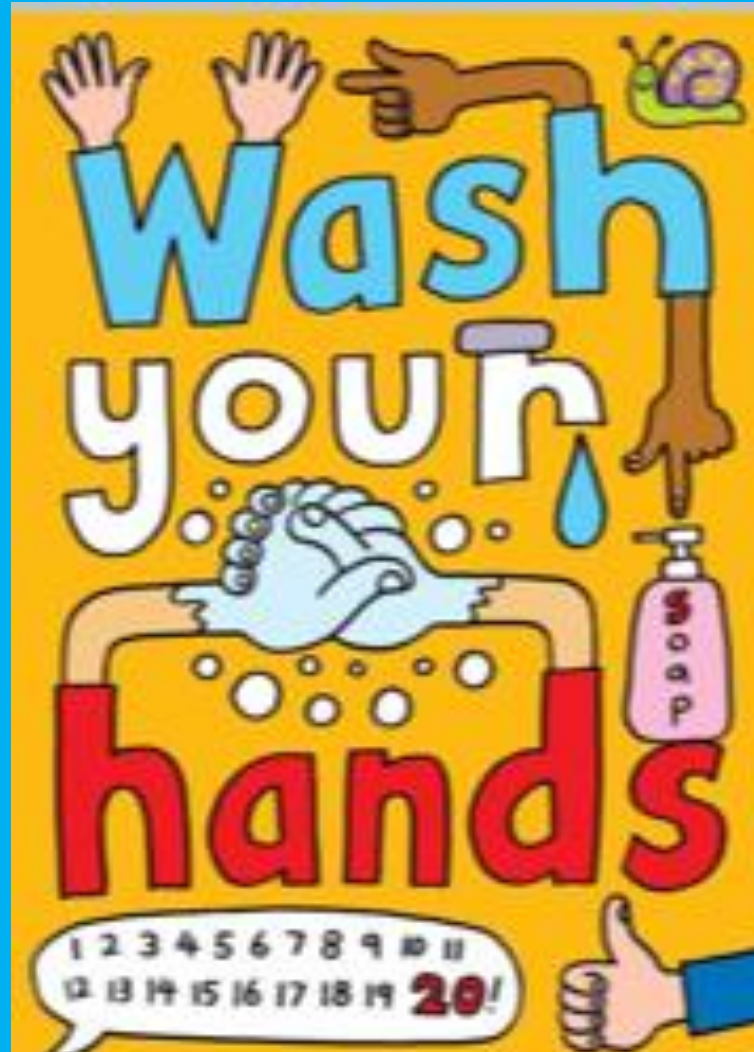

Look me up and down,
I'm the cleanest giant in town!

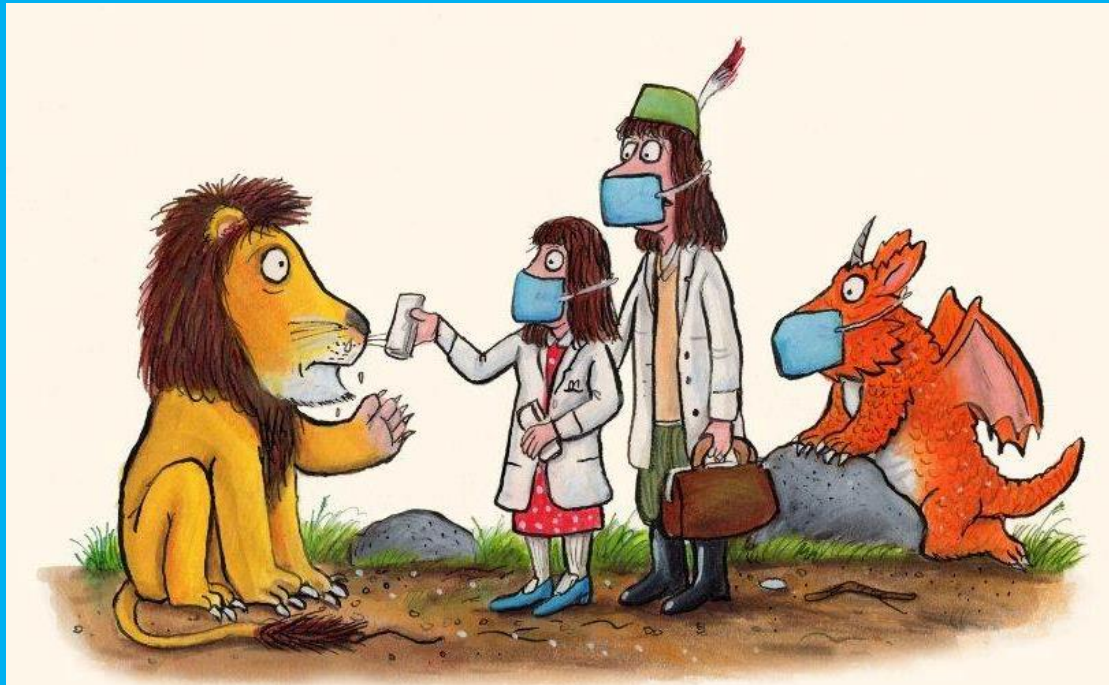

So we will need to wash our hands
regularly...

...and for 20 seconds.

We need use tissues if we sneeze.

Zog and the Flying Doctors tell the lion with the sneeze,
“Don’t sneeze into your paw – and use a paper hanky, please.”

Catch it, Bin it, Kill it.

New Routines

First line up outside with your adult.

Add a photograph of your parents and children lining up

Remember to keep your distance.

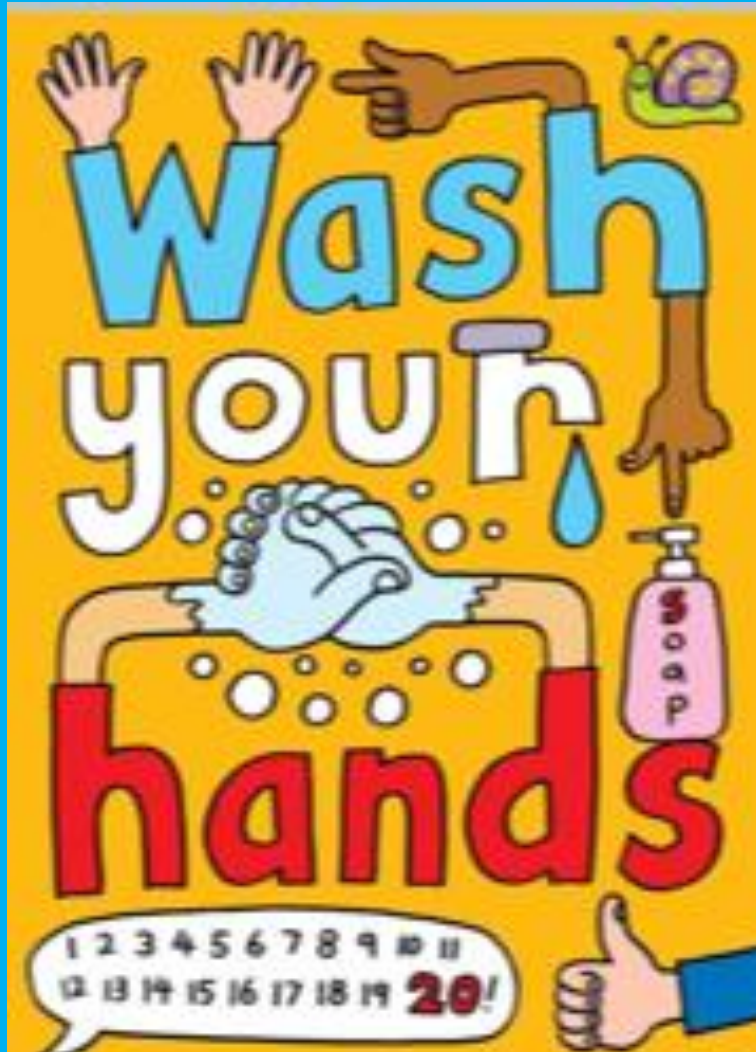

Change your shoes

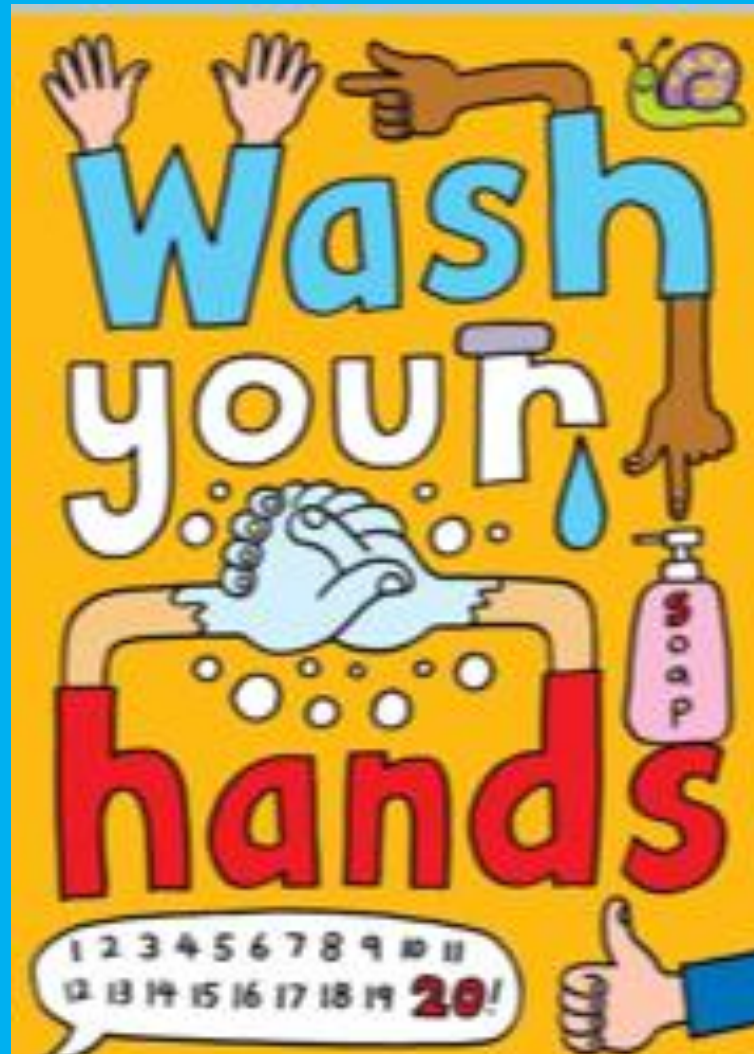

Then hang your coat on your peg

Next wash your hands.....

...for 20 seconds.

After that you can play.

Help is at hand.....

Thank you 2 Metre
